

Nichols Privacy Statement

Nichols has been in business for over 32 years. Our business has been built on trust, mutual respect and transparency in our operating practices.

Throughout that time we have been operating in a transparent and professional manner using safe, up to date and regularly reviewed secure systems and technology.

The information and data that we hold is rigorously checked to legitimately operate.

We have always been totally committed to protecting and respecting your privacy. When you give us permission, we may share your personal information with our specified client in relation to the specific opportunity in which you have expressed an interest. We will not, and cannot, "market" your details or your CV.

We would like to retain your details in order make contact for your future career progression. If for any reason you wish to review or delete information at any time please contact info@nicholsconsultancy.com

Jane Craven and Greta Cerely,
Nichols Data Controllers
